

MATERIAL SAFETY AND DATA SHEET

Chemical Product and Company Identification

Manufacture	Dealer Appearance Products Inc. 1460 S.W. 3 rd . St. B10 Pompano Beach Fl. 33069	
Emergency Phone	561-436-3801	
Product use	Auto Reconditioning	
HMIS Rating	Health	1
	Flammability	1
	Reactivity	0
	Protection	X
Distributor	Dealer Appearance Products Inc. 1460 S.W. 3 rd . St. B10 Pompano Beach Fl. 33069	
Emergency Phone	954-941-2873	
Product identification	VINYL BRITE	

Composition / Information on Ingredients

Ingredient Name	CAS Number	Wgt. %	PEL-OSHA	TLV-ACGIH	Carcinogen
Ethylene glycol	107-21-1	>1	Ne	50PPM	No

Hazards Identification

Potential Health Effects	
Skin	Prolonged and/or repeated skin contact with this product may cause irritation/dermatitis. Prolonged or repeated contact with this product may dry and/or defat the skin.
Eyes	This product may cause irritation, redness, or blurred vision.
Inhalation	This product may cause irritation to respiratory system.
Ingestion	Ingestion can cause gastrointestinal irritation, nausea, vomiting and diarrhea.

First Aid Measures

First aid	
Skin	Immediately take off all contaminated clothing. Wash affected area with mild soap and water. If irritation

	persists, get medical attention.
Eyes	In case of contact with eyes, rinse immediately with plenty of water for 15 minutes and seek medical advice.
Inhalation	Move person to non-contaminated air. If the affected person is not breathing, apply artificial respiration. Seek medical attention.
Ingestion	Do not induce vomiting, drink several glasses of water or milk.

Fire Fighting Measures

Hazardous Combustion Products	Not a fire hazard but its residue can burn after water evaporates.
Extinguishing Media	Carbon dioxide. Alcohol type foam.
General Fire Hazards	Not a fire hazard.
Fire Fighting Equipment/Instructions	None
Flash Point	none

Accidental Release Measures

Containment Procedures	Avoid contact with alkaline, glass, concrete, and other silicone containing materials, metals, and other material such as rubber, leather, and certain organic materials.
Clean-Up Procedures	Absorb spill with inert material. Shovel material into appropriate container for disposal. Dispose according to local, state and federal regulations for products containing organic polymers.

Handling and Storage

Handling Procedures	Do not store under freezing conditions, do not store near acids, acidic material or oxidizers.
Storage Procedures	Keep the container tightly closed. Avoid freezing to prevent bursting of the container. Do not store, incinerate, or heat this material above 120 degrees Fahrenheit.

Exposure Controls / Personal Protection

Engineering Controls	Use local exhaust ventilation.
Personal Protective Equipment	<p>Eyes/Face Wear chemical goggles.</p> <p>Skin Use impervious gloves. Use of impervious apron and boots are recommended.</p> <p>Respiratory If ventilation is not sufficient to effectively prevent buildup of vapor/mist/fume/dust,</p>

appropriate NIOSH/MSHA respiratory protection must be provided.

General

Use good industrial hygiene practices in handling this material. Eye wash fountain and emergency showers are recommended. Launder contaminated clothing before reuse.

Physical & Chemical Properties

Boiling Point	> 212 F
Specific Gravity	1
Vapor Pressure	<25mm/Hg
Evaporation Rate	<1
Vapor Density	1
Solubility (H ₂ O)	soluble

Chemical Stability & Reactivity Information

This is a stable material.

Chemical Stability

Upon decomposition, this product emits carbon monoxide, carbon dioxide and/or low molecular weight hydrocarbons.

Hazardous Decomposition

Will not occur.

Hazardous Polymerization

Will not occur

Toxicological Information

Toxicological Information

No data available for this product.

Ecological Information

Ecological Information

No data available for this product.

Disposal Considerations

Disposal Instructions

Dispose of waste material according to Local, State, Federal, and Provincial Environmental Regulations.

Other Information

NOTICE: The information presented herein is based on data considered to be accurate as of the date of preparation of this Material Safety Data Sheet. However, MSDS may not be used as a commercial specification sheet of manufacturer or seller, and no warranty or representation, expressed or implied, is not made as to the accuracy or comprehensiveness of the foregoing data and safety information, nor is any authorization given or implied to practice any patented invention without a license. In addition, no responsibility can be assumed by vendor for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices, or from any hazards inherent in the nature of the product.
