

MATERIAL SAFETY AND DATA SHEET

Chemical Product and Company Identification

Manufacture	Dealer Appearance Products Inc. 1460 S.W. 3 rd . St. B10 Pompano Beach Fl. 33069	
Emergency Phone	561-436-3801	
Product use	Auto Reconditioning	
HMIS Rating	Health	0
	Flammability	0
	Reactivity	0
	Protection	X
Distributor	Dealer Appearance Products Inc. 1460 S.W. 3 rd . St. B10 Pompano Beach Fl. 33069	
Emergency Phone	954-941-2873	
Product identification	BIO SHOCK	

Composition / Information on Ingredients

Ingredient Name	CAS Number	Wgt. %	PEL-OSHA	TLV-ACGIH	Carcinogen
THERE ARE NO HAZARDOUS COMPONENTS	NA	NA	NA	NA	NOT LISTED

Hazards Identification

Potential Health Effects	
Skin	Pre-existing skin conditions may be aggravated.
Eyes	This product may cause irritation, redness
Inhalation	This product may cause irritation to respiratory system.
Ingestion	Ingestion can cause gastro intestinal irritation, nausea, vomiting and diarrhea.

First Aid Measures

First aid	
Skin	Wash with soap and water see physician if irritation persists.
Eyes	In case of contact with eyes, rinse immediately with plenty of water for 15 minutes and seek medical advice.

Inhalation	Remove to fresh air
Ingestion	Drink copious amounts of water or milk contact a physician

Fire Fighting Measures

Hazardous Combustion Products Not a fire hazard
Extinguishing Media Non-flammable
General Fire Hazards Not a fire hazard.
Fire Fighting Equipment/Instructions SCBA should be used in fighting fires involving chemicals.
Flash Point none

Accidental Release Measures

Containment Procedures Remove with inert absorbent and transfer for disposal. Wash spill area with water.
Clean-Up Procedures Absorb spill with inert material. Shovel material into appropriate container for disposal. Dispose according to local, state and federal regulations for products containing organic polymers.

Handling and Storage

Handling Procedures Do not store under freezing conditions,
Storage Procedures Keep the container tightly closed. Avoid freezing to prevent bursting of the container. Do not store, incinerate, or heat this material above 120 degrees Fahrenheit.

Exposure Controls / Personal Protection

Engineering Controls Use local exhaust ventilation.
Personal Protective Equipment Eyes/Face Wear chemical goggles. Skin Use impervious gloves. Use of impervious apron and boots are recommended. Respiratory If ventilation is not sufficient to effectively prevent buildup of vapor/mist/fume/dust, appropriate NIOSH/MSHA respiratory protection must be provided. General Use good industrial hygiene practices in handling this material. Eye wash fountain and emergency showers are recommended. Launder contaminated clothing before reuse.

Physical & Chemical Properties

Boiling Point	212 F
Specific Gravity	1.01
Vapor Pressure	Same as water
Evaporation Rate	ND
Vapor Density	Same as water
Solubility (H ₂ O)	Soluble
Color	Green

Chemical Stability & Reactivity Information

This is a stable material.
Chemical Stability
Upon decomposition, this product emits carbon oxide, and silicone oxide
Hazardous Decomposition
Will not occur.
Hazardous Polymerization
Will not occur

Toxicological Information

Toxicological Information
No data available for this product.

Ecological Information

Ecological Information
No data available for this product.

Disposal Considerations

Disposal Instructions
Dispose of waste material according to Local, State, Federal, and Provincial Environmental Regulations.

Other Information

NOTICE: The information presented herein is based on data considered to be accurate as of the date of preparation of this Material Safety Data Sheet. However, MSDS may not be used as a commercial specification sheet of manufacturer or seller, and no warranty or representation, expressed or implied, is not made as to the accuracy or comprehensiveness of the foregoing data and safety information, nor is any authorization given or implied to practice any patented invention without a license. In addition, no responsibility can be assumed by vendor for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices, or from any hazards inherent in the nature of the product.
